APPRECIATION LETTER

We are writing to express our heartfelt gratitude for the empowerment programme you recently conducted for the students of our Skills Acquisition Centre, Mushin. Your support have significantly impacted the lives of our students.

The empowerment of thirty (30) students from various departments, including Fashion, Catering, Hairdressing, and Barbing is a testament to your foundation's commitment to nurturing young talents.

We are confident that this initiative will enhance their skills and future prospects.

Thank you for believing in our students and investing in their potential. We look forward to continued collaboration and exploring opportunities for mutual benefits.

Please accept our sincerest appreciation for your kindness and supports.
Best regards.
